

St. Agnes Gathering Space Needs Assessment

St. Agnes
CATHOLIC
CHURCH

Dear Parishioners and Friends of St. Agnes,

We would like to invite you to share your thoughts regarding next steps for our faith community. Having a space to gather and create a stronger sense of community was a resounding theme that arose from our Synod Process. Based on those responses a small group of parishioners with the support of Father Andy (and the initial go ahead from the diocese), have been gathering feedback from the parishioners and friends of St. Agnes Catholic Church. In order to determine the best way forward, we want and need to gather feedback from as many of you as possible by mid-August.

Please take a moment to complete the inserted questionnaire and drop in any weekly collection basket, at the office or feel free to complete to complete the questions online via this link: <https://stagnes.wufoo.com/forms/new-gathering-space-information-request/>

We will offer zoom meetings throughout the summer and post them in the on the website. If a group of you would like to meet in person, please contact Eileen Elliott at 304-886-3612 or email at eepeachlan@gmail.com.

Once we receive all of your feedback, we will provide the results to our faith community by mid-September.

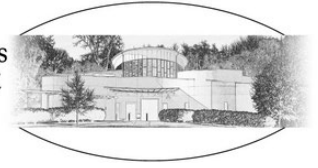

We greatly appreciate your valuable time and insight to this evolving project. Have a safe and blessed summer!
