

WHAT ARE SMALL FAITH SHARING GROUPS AND SMALL CHRISTIAN COMMUNITIES?

Where two or three come together in my name, I am with them. Matthew 18:20

Small Christian communities are groups of 8-12 people who gather to pray, reflect on scripture or church teaching, support each other and engage in action flowing from their sharing. The main purpose of being together is to grow in understanding and practice of what it means to be a true disciple of Jesus. ...Being in a small group provides a safe place in which to question and explore concepts more deeply. *- Donna L Chiangio*

Small Christian communities are a way of being church to each other, not just on Sunday but every day. ...Early Christians met in small groups in each other's homes to share faith and break bread. *- Good Shepherd Parish website Tallahassee FL*

Participating in small faith sharing groups can make the connection between what we believe, what we celebrate at Mass and our daily lives; they help us to feel supported during trying times and share joy during happy times; they deepen our faith and our relationship with Jesus Christ through one another.
