Dear Parishioners,

This Friday we celebrated the Feast of the Immaculate Conception. There is a tendency on this feast day to put an emphasis on original sin. I find in the reading and symbols a more attractive direction is the surprising way God calls us in our ordinary life. The Genesis story that asks Adam and Eve, "where are you?" I believe is the foundational principle of the whole spiritual life. We have a tendency, out of fear, to run from the gift of our self or hide our truest self. Yet our loving God wants us to gently accept ourselves and see what possibilities for our future there are when we begin to see ourselves as a gift along with all of creation. In the gospel on this feast, as Mary faces new surprises and possibilities about herself, her first reaction is fear. The angel Gabriel comes to her to reveal to her that what looks like a problem or a danger is a gift. There is a new birth and call that is opening on her journey. The God of surprises with her yes is opening possibilities and a new beginning for all of humanity. Perhaps Advent is a season for us to see ourselves in the characters and symbols; the God of love to meet us just where we are at, and, even in the fears we hold ourselves or for our world, to allow the Angel Gabriel's message of "Do not be afraid" to follow the gift coming to birth in us. I offer this poem that I shared in the homily the first Sunday of Advent. May we see our journey and call in the symbols and stories of this season. May it stretch our imagination to follow the God of surprises.

To stay or to go the advent story  
has its uncertainty.

Dead of winter is  
Unexpectedly pregnant  
Advent annunciation  
An inevitable apocalypse

Quietly divorce her  
or follow the star.

Return to the King  
Or flee and follow a dream.

Pregnancy, Nativity  
Epiphany

Advent candlelight  
And winter's unpredictability  
Awaits the Christmas mystery.

Fr. Andy

## Blood Pressure and Sugar Checks This Weekend!

Our parish nurses will be available this weekend after each Mass for Blood pressure and blood sugar checks.

## Prayer Sponsors Needed

We are looking for prayer sponsors for our children preparing for First Eucharist. A prayer sponsor is someone who would like to show support and offer prayer for a child preparing to receive their First Eucharist. If you are interested in serving as a prayer sponsor, please call or email the parish office. You will be assigned a child, and you faithfully pray for them every day. A prayer sponsor may send a card to them (anonymously) and let them know they are being prayed for, but the giving of gifts is not necessary. We want this to be about the gift of prayer, not material gifts. We ask that if you send a card to sign it "your prayer sponsor." It is nice to stay anonymous until the First Eucharist celebration. We ask that the prayer sponsor come to the First Eucharist Mass on Sunday, April 28th at 10:30 AM where you can introduce yourself. If interested in being a prayer sponsor, please call the office or contact Bill Donahue at [formation@stagnesshepherdstown.org](mailto:formation@stagnesshepherdstown.org).

## What is the Purpose of VIRTUS Training and Why Is It Important?

**The Diocese of Wheeling Charleston is requiring all volunteers to be VIRTUS trained.** This is part of the Diocese's Safe Environment policy that St. Agnes is required to follow. **All volunteers must be Virtus trained, even those who are not involved with the youth.** We must be in compliance by the end of 2023. **If you volunteer in any capacity at St Agnes, you must be Virtus trained.**

VIRTUS training is designed to help adults recognize the signs that indicate a child might be suffering abuse. It also helps adults by offering key points to help children, who might confide in them, deal with potential situations. Finally, it helps adults know who to contact and what the next steps are if they suspect or discover a child is being abused. All this training is designed to help adults help children through a difficult situation.

Our Coordinator, Bill Donahue, can assist with verifying your training status and/or initiating your training which is 100% online. For questions or concerns, contact Bill at 304-876-6436 or [formation@stagnesshepherdstown.org](mailto:formation@stagnesshepherdstown.org). Please help us achieve full compliance.

## One of Our Core Outreach Ministries Needs Our Help!

One of our most important outreach ministries that addresses a huge need in our County has been our provision of **meals to the homeless and hungry** three Wednesday evenings a month at one of the Charles Town churches. We have been one of a large number of churches and community groups who have worked together to sustain this 365 day a year ministry for over 10 years. Countless parishioners through the years have prepared, delivered and served meals and/or donated funds to cover meal costs. This is one of the most important— and popular—ongoing ministries of our youth who for years have prepared one meal a month.

We have a funding shortfall this year—and into the future without your help. A full explanation follows. **Here's the short version: If 30 people give \$5 a month, and 20 people give \$10 a month, and 10 people give \$25 a month, we will cover our yearly expenses!**

Originally meals were served in a church building. On average at the start folks would prepare enough for 25 people—but always more the last Wednesday of the month. By then folks usually have exhausted their SNAP benefits, if they are eligible, or other funds so the numbers of people seeking a warm meal usually increases around 20%. As numbers of people seeking a meal increased and food costs rose, we started providing cash cards to our chefs, purchased through St. Agnes, to help underwrite their costs. We started at \$25, then \$50 and by the time of Covid we were providing \$100 to \$150 depending on time of month.

In order to fund the cash cards, we asked for donations at our monthly Social Concerns (now Service, Justice and Peace, SJP) weekends. We also received online donations

and periodic contributions. Gradually through the years we built up a generous surplus which got us through donation dry spells.

Then came Covid. Meal delivery didn't stop – it just changed. Food was now prepared in carry-out containers and handed out to people outside the church doors. This method became so popular it continues to this day. And the numbers of people coming for a hot meal started to climb. First to forty, then fifty, now regularly sixty people come, and one evening seventy!

Food costs too have increased. We were able to continue to provide cash cards and increased the regular amount given to chefs to \$150. Now with the increasing meal counts we believe we want to increase the amount we give our parish chefs to \$175. After an initial drop of financial support from parishioners in 2020, donations picked up again in 2021, but then donations dropped by 50% in 2022, and by another 20% in 2023. We barely broke even in 2022 and we are deficit spending in 2023 at a time when the need is growing. Of the first eleven months of 2023, we deficit spent in four months – and we know there will be great need in December and beyond for food.

We are asking an enormous commitment from our parishioner chefs, including our youth, and we need more volunteers **especially** to help transport the food to the distribution point and give out the meals to folks. And we desperately need **ONGOING** contributions to this ministry. There are lots of ways to donate—at our monthly SJP weekends, by a check in the collection basket or sent to the Parish Office with HOMELESS on the memo line, or by online giving.

### Book Discussion Group

Our December Book Discussion Selection  
December 15, 2023 @ 11 in the Parish Center

A couple of years ago we decided that our December selection would be a "lighter" read, a book that would put us into the spirit of the Advent/Christmas season. This year's choice is not exactly "light" but it comes well recommended. Join us in reading *Small Things Like These* by Claire Keegan.

### Saint John the Baptist

John was the last prophet God sent to prepare the way for Jesus. Finish this short biography of John by filling in the blanks. You'll find all the missing words in the box below. You will need to use some words more than once.

Mary	Gabriel	nine	baptize	believe
Zechariah	Jordan	locusts	skinny	old
Herod	Temple	baptized	weird	preaching
Simon Peter	mute	honey	sinless	Jerusalem
Andrew	leaped for joy	camel's hair	speaker	Elizabeth
Jesus	beloved Son	desert	John	repentance

### Part 1

John was born not far from the great city of \_\_\_\_\_.  
 about six months before the birth of \_\_\_\_\_. His  
 dad, \_\_\_\_\_, was a priest in the \_\_\_\_\_.  
 His mom, \_\_\_\_\_, was a housewife and a relative of  
 \_\_\_\_\_. \_\_\_\_\_ was believed to be too  
 \_\_\_\_\_ to have babies.

One day when \_\_\_\_\_ was burning incense in  
 the \_\_\_\_\_, the angel \_\_\_\_\_ appeared  
 and told him that \_\_\_\_\_ would have a baby. The angel  
 said they should name the baby \_\_\_\_\_, which means  
 "God is gracious." Because he did not \_\_\_\_\_, he was struck  
 \_\_\_\_\_.

For \_\_\_\_\_ months, he was not able to speak a  
 word, not until the baby was born and was named John.

## The Gospel at Home

### This Sunday's Gospel: Mark 1:1-8

In Sunday's Gospel, John the Baptist urges people to prepare a smooth, straight road on which God can come to us. Isaiah's words of comfort to the exiled Israelites assure them and us that we can count on God's forgiveness. Jesus' words call for us to turn our lives around and make sure that we have an open path for God to enter our hearts. Note: Tuesday is the Feast of Our Lady of Guadalupe, another chance to celebrate Mary, our Mother.

### Exploring the Gospel Message

**Promise** (Grades K-1): Your child is very aware of growth and change in his or her own body—and is growing as a Christian too. Be sure to praise your child for the ways he or she shares with others. Ask your child to tell you the story of Our Lady of Guadalupe and share with you the little booklet he or she made in class.

**Good News** (Grades 2-3): This week, your child learned the words of John the Baptist, who told people to prepare for the coming of the Lord. Talk about the ways your family is preparing for Christmas. Are you thinking and praying about the birth of Jesus, or are you thinking about toys and gifts? Ask your child to tell the family the story of "A Boy Named John" from this week's lesson. Add the Prayer to the Holy Spirit in family prayers this week.

**Venture** (Grades 4-6): This week, your young person prepared for the Christmas feast by learning about the prophet Isaiah and John the Baptist, two biblical characters who preceded Jesus. Your son or daughter also learned the importance of forgiving and seeking forgiveness as part of making a straight path for the Lord's arrival. Make sure your young person understands how sin separates us from God. Ask your youngster to share the story of Saint Jane Frances de Chantal with you.

**Visions** (Grades 7-9): Gift-giving has long been a part of the Christmas celebration. In class, your teen explored his or her own attitudes about giving presents at Christmas. He or she also explored how to give of him- or herself in the gifts that he or she gives. Talk about the way your family approaches giving gifts at Christmastime. Think of ways you can give of yourself to the people you give presents. Consider having your family enact the Our Lady of Guadalupe play included in this week's lesson.

### Pray Together

To celebrate the Feast of Our Lady of Guadalupe (December 12), add praying the Hail Mary to your Advent wreath prayer this week. You may even want to place a statue or picture of Mary near your wreath.

## Our 3rd Annual Kolofata Sale Was the Best Yet!

Thanks to all of our parishioners who supported our Third Annual Potholder Sale this year. We called it Potholder Plus because we added wine bags by Christine Wiegman, another committee member, and resin items made by Regenia Carder. Her Trinket boxes were very popular. The potholder/colorful wood serving piece combination remained another great crowd pleaser. This week's sales totaled \$595. Combined with prior sales of \$665, our grand total this year is \$1260!

**We have 9 potholders left. If we can sell these, we will top \$1300. Stop by the Parish Office to buy one (or more), or call and we can have them available at Church next weekend for you.**

We also received contributions totaling \$571.25 during the course of the sales. Many of these donations come from supporters who take the opportunity to drop off their donations during the sale – and other donations are pleasant, unexpected surprises from folks.

Thank you all – and a special thanks to our Committee volunteers and other “helpers” who came to our rescue and who made these weekends a success!

## Universal Declaration of Human Rights Turns 75

10 December 2023 marks the 75th anniversary of one of the world's most groundbreaking global pledges: the Universal Declaration of Human Rights (UDHR). This landmark document enshrines the inalienable rights that everyone is entitled to as a human being - regardless of race, colour, religion, sex, language, political or other opinion, national or social origin, property, birth or other status.

The Declaration was proclaimed by the United Nations General Assembly in Paris on 10 December 1948 and sets out, for the first time, fundamental human rights to be universally protected.

Available in more than 500 languages, it is the most translated document in the world. A year-long initiative focusing on universality, progress and engagement, will culminate in a high-level event in December 2023, which will announce global pledges and ideas for a vision for the future of human rights.

The Declaration can be found here: <https://www.un.org/en/about-us/universal-declaration-of-human-rights>.

## Spotlight on Ministry

I have been a Catholic since childhood. I didn't attend Catholic school, but in our family we attended St. Francis of Assisi in Johnstown, PA. I was allowed to join the choir in about fifth grade and have sung in church choirs wherever I have lived. There were many different celebrations I attended growing up besides the Sunday Masses.

Pope Francis' Synod on Synodality is about Communion, Participation, and Mission. Focusing on Participation is the path to being in Communion and discovering our Mission. We are all gifted and there is joy in participation by using our gifts for building the Kingdom of God. As an adult I still sing in the choir. Being a part of the Liturgy enhances my sense of Communion with God and everyone in the Body of Christ. It's much more interesting to do something than simply observe. More recently I have been a Hospitality minister, which I used to think I was too flighty to do. This ministry is an opportunity to greet others and see everyone who walks through that door. I also become more vigilant watching over the congregation in order to notice if someone needs some help.

Participation extends to what happens the rest of the day and week. I am involved in the Service, Justice, and Peace Committee in order to live my faith. Following Christ's example by helping others discover the love and light inside of them is what I try to do. There have been other opportunities to build relationships, study, and lead. My faith is the blueprint for how I attempt to live my life. I know I fall short, but I also know I am forgiven.

I remember being awed by God as a child. As an adult I am still in awe of God but I realize God has given me so much and it is my call to listen and participate. What a journey it has been!

Eileen Elliott

## Laudato Si'

Hundreds of scientists from universities, industry and federal agencies contributed to the National Climate Assessment released last month. There's bad news and good news.

In the decade of the 1980's the US averaged 3.3 severe weather events (defined as freezes, winter storms, wildfires, droughts, flooding, hurricanes and severe storms) per year. By the 1990's that had increased to 5.7 per year. In the first 10 years of the 21<sup>st</sup> century we averaged 6.7 and in the last 3 years, the US has averaged 20 such weather events per year. These cost us all in dollars, decreased quality of environment and health and in deaths to humans, animals, plants and waterways. These events have an even greater impact on our brothers and sisters in poorer countries where access to resources and money to recover, rebuild and replant are far less than in our own country.

The good news is that we can make a difference. There are dozens of suggestions that reduce greenhouse gases which lead to severe weather events. Even going back to the Catholic practice of not eating meat on Fridays year round can have a measurable impact as animals we eat produce greenhouse gases at a much higher rate than growing vegetables, grains and legumes.

The Diocese of Wheeling-Charleston maintains an Office of Safe Environment in accordance with the USCCB's *Charter for the Protection of Children and Young People*. **To Report Suspected Cases of Sexual Abuse of Children:** The Diocese of Wheeling-Charleston encourages reporting to civil authorities first and foremost if a crime has been committed. We also encourage utilizing [www.reportbishopabuse.org](http://www.reportbishopabuse.org) to make a report about any bishop in the U.S. If you have reason to believe that a bishop has engaged in sexual misconduct, please contact civil authorities in the applicable jurisdiction and visit [www.reportbishopabuse.org](http://www.reportbishopabuse.org). **To Report to Civil Authorities:** Contact your local law enforcement; numbers will vary based on your location. If you believe someone is in immediate danger, call 911. To confidentially report any incidence of suspected child abuse or neglect, including sexual abuse, contact the West Virginia Bureau for Children and Families' Child Protective Services by calling the Child Abuse Hotline at 800.352.6513. **To Report to Diocesan Authorities:** In addition to civil authorities, the diocese encourages reporting to the appropriate church authorities. To report suspected cases of sexual abuse of children by personnel of the Diocese of Wheeling-Charleston to the Diocese, contact one of the following designees at 1.888.434.6237 or 304.233.0880: Mr. Bryan Minor, ext. 263; Mr. Tim Bishop, ext. 353; or Very Rev. Dennis Schuelkens, Jr., V.E., ext. 270. You may also call the Diocese's Office of Safe Environment at 304.230.1504. In addition to the methods listed above for reporting sexual abuse, the Diocese also has partnered with Navex Global to offer the **EthicsPoint** platform to report other, additional concerns, such as suspected financial, professional, and personal misconduct of a priest, deacon, religious, or lay employee of the Diocese or any Catholic parish or school in West Virginia. The EthicsPoint platform can be accessed via [www.dwc.org](http://www.dwc.org), under "Accountability", then "Report Misconduct" or by calling 844.723.8381. EthicsPoint is a third-party reporting system that reports to civil authorities where applicable and Diocesan authorities, and the identity of the person reporting is protected.

## IRA Charitable Gifts

A gift through your IRA is a great way to support St Agnes. Here is some information on how you can maximize your giving in 2023:

### IRA Qualified Charitable Distribution (QCD)

- Donors age 70½ or older may make a gift of any amount, up to \$100,000 per individual (\$200,000 for couples with individual IRA accounts), from your IRA without paying income tax on the donated amount.
- For donors who have a Required Minimum Distribution (RMD), making a gift directly from your IRA to St. Agnes can be counted toward satisfying your RMD for the year, as long as certain rules are met.
- In addition to the benefits of giving to charity, a QCD excludes the amount donated from taxable income, which is unlike regular withdrawals from an IRA. Keeping your taxable income lower may reduce the impact to certain tax credits and deductions, including Social Security and Medicare.
- QCDs don't require that you itemize, which due to the recent tax law changes, means you may decide to take advantage of the higher standard deduction, but still use a QCD for charitable giving.
- Funds should be transferred directly from the donor's financial institution to St. Agnes.

For additional information about giving from your IRA, please check the St Agnes website for [Giving via Stocks and IRA](#).

**Thank you for supporting St Agnes!**

This information is not intended as legal, accounting, or financial advice. Please consult with your tax, legal, and financial advisors to determine whether this or other gift plans are applicable to your tax and financial needs.
