

RESERVE YOUR NICHE FOR ALL TIME

Visit the St. Agnes Columbarium Garden

The St. Agnes Columbarium and Memorial Garden is located behind the church building. It serves as the final resting place for the cremated remains of parishioners and their families. In addition to the niches for cremains there is also a Memorial Wall where the names of parishioners and family members interred elsewhere may be memorialized.

On Saturday, February 25th and Sunday February 26th members of the Columbarium Committee will be available after each Mass in the Narthex with more information and to answer any questions you may have about reserving a niche or doing a memorial.

If you are interested in reserving a niche or wish to have names engraved on the Memorial Wall you may call the Parish Office (304-876-6436) or complete the forms available in the Church Narthex or the [Info Center on our website](#).
