## Remember in Prayer

Please pray daily for those serving in the Military, our veterans in recovery, and those recently ill, especially Chet Gore, Barbara Mueller, Amirra Umpenhour, Laddin Audia, Lizzy Walls, Georgette Rush, and Janet Armstrong. Names are placed in the bulletin for one month and then those names are placed on the 2nd Friday prayer list and are remembered in prayer each month.

## Service, Justice, and Peace Weekend

This weekend, April 6 and 7, is our monthly Service, Justice, and Peace weekend. The Parish nurses will be available to take blood pressure and test blood sugar as well as the Knights of Columbus will be handing out blue bags to be filled with canned and boxed food for the hungry. There will be Haiti coffee for sale after all Masses, and donations will be accepted for Feeding the Hungry, providing feminine hygiene products and diapers for the needy, financial help for the education of young women in Kolofata, and support for mothers and babies by Mary's Refuge. Your generosity is so important.

## Knights of Columbus Raffle Tickets

The Knights of Columbus will be selling raffle tickets for the funding of Seminarians after all Masses on April 13 and 14. All proceeds from this raffle, go to aid our future Priests.

## Please Don't Fall Victim To Email and Texting Scams!

Lately we are hearing from far too many parishioners that they are receiving emails or text messages from someone posing as Fr. Andy or Fr. Mat. **If you ever receive an email or text from someone posing as St. Agnes staff asking for money, gift cards, etc., it's a SCAM.**

No one, not Fr. Andy nor Fr. Mat nor St. Agnes staff, will EVER write to you personally asking for 'favors' or to request for you to make a purchase or send money. You can usually tell by looking closely at the email address who sent the message. Emails from St. Agnes always come from [office@stagnesshepherdstown.org](mailto:office@stagnesshepherdstown.org). Emails from Fr. Andy will be from [aswitzer@dwc.org](mailto:aswitzer@dwc.org) or [aswitzer@stagnesshepherdstown.org](mailto:aswitzer@stagnesshepherdstown.org). These scammers are very crafty and often make some very slight variation on the actual email address, so you really have to look very carefully.

If you receive an email similar to this, simply delete it and be aware that online scams, etc. are part of our digital world. To protect yourself, it's important that you learn how to recognize these scams.

## Invitation to Discuss New Gathering Space

We would like to invite you to share your thoughts regarding next steps for our faith community. Based upon responses from the synod process, a small group of parishioners, with the support of Father Andy and the initial go-ahead from the diocese, are beginning to explore the need, desire, uses, and challenges of building a future gathering space. We invite you to share your thoughts regarding potential next steps. We are setting up a series of small group meetings following the same format we used for the synod meetings. We have specific questions to clarify the need, desire, uses, and possibility of building a gathering space. We will meet in small groups to pray, talk, and listen to each other and invite the Holy Spirit to inform us of the next steps. Sign-up sheets for groups will be available in the Narthex of the church following liturgies the first few weekends following Easter. There will also be sign-ups available on the website. We greatly appreciate your valuable time and insight into this evolving project.

## Let the Games Begin!

St. Agnes board-gaming community invites you to join us in building local community relationships through board and card games. Join us in the Parish Hall every Tuesday from 3:30-5:30 PM. You are welcome to bring your own games and snacks to share but they will be provided regardless. Mahjong will be a staple. All are welcome! *Parents/Guardians need to be present for any children attending.*

Dear Parishioners,

On Monday, we had our Bible study, and the group always has so many insights. I find I learn a lot that helps me to prepare for the weekend. One image that was shared was a family photo album and how, when you look through it, we often discover things we did not know before. This perhaps might be a good way to look at the Easter Vigil. We, in a sense, travel through our family photo album. And in one real sense, almost like a sci-fi movie, we travel back in time to hear the stories of our ancestors that have been passed down to us. We start with the story of creation, then the early matriarchs and patriarchs, the prophets, the poetry from the Psalms, and culminating with the Easter story. We then add our newest members, through Baptism, as part of the St Agnes family. These, each year, are our newest members in the photo album. You think about how large this album is with all the baptisms that have happened at St Agnes in what is now the historic chapel and then continues at our church now. These newest members who join the family album renew us each year. They help us to return to our youthfulness, refreshed and renewed by resurrection. Through the wisdom of church on the night of the Vigil, we recognize that the newest members lead us as they receive Baptism, and then we renew our baptismal promises. They then provide us with instruction until Pentecost. These newest members tell us, as they experience the sacraments for the first time, what they have tasted, felt, seen, and heard. They help us to see the Resurrection with new eyes. As we move through the family album this Easter, may our newest members renew our youthfulness and fill us with Easter Joy.

Fr. Andy

## Be Prepared for the Eclipse!

A near-total solar eclipse is coming to our area! On Monday April 8th, around 3-3:30pm, the sun will be almost completely eclipsed by the moon. But be wary! You will need special glasses to view the sun during these moments, and be careful to purchase real ones—**fakes and knockoffs are abundant**. Looking directly at the sun's rays at this time can cause damage to your eyes so make sure to have proper, REAL protection during this amazing event. It won't happen for another 20 years—so make sure you can see it properly if the weather allows! The American Astronomical Society has published a list of solar safe options: <https://eclipse.aas.org/eye-safety/viewers-filters>.

## April is Autism Acceptance Month

April is Autism Acceptance Month. The recognition raises awareness about autism acceptance and promotes inclusion and connectedness for people with autism. Social and community support can help people with autism achieve optimal health and reach their full potential. The CDC promotes early identification and provides essential data on autism to inform programs and policies that support children with autism and their families. For more information, visit <https://www.cdc.gov/ncbddd/autism/toolkit.html>.

## Book Discussion Group

In our alternating schedule this would normally be the month we'd read a novel. However, this is an autobiography – and an astounding story.

*Hello Darkness My Old Friend; How Daring Dreams and Unyielding Friendship Turned One Man's Blindness into an Extraordinary Vision for Life* by Sanford Greenberg.

It's a bitterly cold February in 1961, and Sandy Greenberg lies in a hospital bed in Detroit, newly blind. A junior at Columbia University from a Jewish family that struggled to stay above the poverty line, Sandy had just started to see the world open up to him. Now, instead of his plans for a bright future—Harvard Law and politics—Sandy faces a new reality, one defined by a cane or companion dog, menial work, and a cautious path through life; but that's not how this story ends. Join us April 19th at 11am to discuss this story. Find more info about the group and a list of books: <https://stagnesshepherdstown.org/event/book-discussion-group/all/>.

## West Virginia Flooding Survey

A research team from West Virginia University and SUNY College of Environmental Science and Forestry is seeking insights from West Virginians on their experiences with past floods and preparation for future floods. The team is conducting an online survey on the topic and any WV resident 18-years or older is encouraged to participate. The survey should take 20-30 minutes to complete, and insights will help the research team create an online resource to help increase flood resiliency for West Virginia communities. Anyone who takes the survey can choose to be entered into a raffle for one of eight \$250 gift cards. To find out more go to <https://mapwv.gov/civic/> and to fill out the survey: <http://tinyurl.com/WestVirginiaFRF>.

## CPR/AED Training Classes from SFD

St. Peter's Lutheran Church will be having a CPR/AED training class taught by the Shepherdstown Fire Department. The class will be on one of the following Sunday afternoons in April: April 14th, 21st, or 28th. The class will be 4 hours, cost is \$25. Participants must be able to kneel on the ground and compress the manikin chest 2 inches. ## Simple Acts to Save Our Planet

With Earth Day fast approaching on April 22nd, our thoughts turn to caring for our planet. Some excerpts from *Simple Acts to Save Our Planet—500 Ways to Make a Difference* by Michelle Neff:

- Reuse old socks or T-shirts for cleaning. Instead of throwing them out, **reuse old clothes** for car cleaning or even general cleaning around the house.
- Keep your fridge free of frost. A buildup of frost and ice only drives up your **energy use**. Check your freezer occasionally to see if there is unnecessary frost.
- Don't put hot food in the fridge. Putting hot food in the fridge makes the fridge work overtime trying to cool it down. Let it cool to **room temperature** before putting the food in the fridge.
- Use natural gas instead of charcoal for grilling. Charcoal produces tiny particles that pollute the air. By using propane or natural gas instead of charcoal, you won't be contributing to air pollution. Better yet, use an **electric grill** that is powered by the sun or wind and you'll really be grilling green!

## Let's Show the Earth a Little Gratitude!

With Earth Day fast approaching on April 22nd, our thoughts turn to caring for our planet. There are so many simple actions that can have a really big impact. By switching to a **reusable water bottle** you can help keep 150 or more plastic water bottles out of the ocean. **Composting** eggshells along with fruit and vegetable scraps reduces food waste in the landfill and helps to create nutrient-rich soil. And, switching from single-use plastic baggies to reusable silicone bags creates far less waste and, in the end, saves you money!

## The Masterworks Chorale at Shepherd

On Saturday, April 20, 7:30 p.m. at the Frank Arts Center, Shepherd University presents "Come Away to the Skies: a High Lonesome Blue Grass Mass." This unique choral setting of the Catholic Mass incorporates traditional Southern hymns, such as "Do Lord" and "What Wondrous Love is This," accompanied by a Bluegrass band led by composer Dr. Tim Sharp, and featuring a play/sing-along of popular "roots" inspired music. Audience members are encouraged to bring their voices and instruments (guitar, banjo, mandolin, fiddle) for a community jam session. Tickets are available at [shepherd.edu/music](http://shepherd.edu/music).

## Catholic Sharing Appeal

The CSA is one of many ways that we are united in God's love as Catholics and as members of our Diocesan Family. In addition to providing funding for our own parish community, the CSA also delivers essential support for shared ministries, Catholic education, and evangelization & outreach efforts across the state. You can donate securely online (<https://csa.dwcministries.org/>), by mailing in the pledge card, or place your pledge card in the collection basket.

## Two New Courses Available in April

Two five-week courses are being offered through the University of Dayton's Virtual Learning Community for Faith Formation (VLCFF) and the Diocese of Wheeling-Charleston. These courses are hybrid models; they are composed of both weekly live two-hour zoom lectures as well as a rich variety of online course materials and discussion experiences through VLCFF. The courses are being underwritten by the Diocese of Wheeling-Charleston's Office of Evangelization & Catechesis, who pays 100% of the tuition and the cost of any books associated with the courses.

**Introduction to Prayer:** Prayer is our means of taking a sighting, of re-orienting ourselves—by re-establishing contact with our goal. In the presence of God, many components of our life fall into perspective and our journey makes more sense. Prayer is inseparable from living (Casey, p.5). This course explores prayer as essential to our lives as Christian people, as individuals and within our community of faith. Through this course, students will explore the qualities, forms, and expressions of prayer that help to form and sustain our lives as Catholic Christians. We will look at prayer as revealed in Sacred Scripture, explore both personal and liturgical prayer, and examine the relation between prayer united with Jesus and discipleship. This course is part of the sequence in the level 1 catechist certification series. This is a hybrid course, which will include materials online and a two-hour Zoom meeting once weekly on Wednesday evenings beginning on Wednesday April 10th at 7pm for five weeks.

**Ecclesiology—Reframing the Church:** This course is the third in the VLCFF Introductory ecclesiology sequence and continues to build the knowledge base for students about the Church. This course focuses primarily on the Church of Vatican II and how the Church is understood from the Council's teachings on liturgy, Scripture, structure, the role of the laity and its relation with the world. The ongoing Synod will also frame part of our conversation. This is a hybrid course, which will include materials online and a two-hour Zoom meeting once weekly on Monday evenings beginning on Monday April 8th at 7pm for five weeks.

For further information or to register, please contact the course instructor, Dr. Rodica Stoicoiu, at [rodicastoi-coiuphd@gmail.com](mailto:rodicastoi-coiuphd@gmail.com).
